MENDOZA  
ARGENTINA

### *The Region:*

High altitude desert-like region with an impressive landscape

Sits at the foot of the Andes and is an average of 900 metres above sea level

Hot, sunny, semi-arid climate

### *The Wine:*

Ripe red fruits with hints of violet on the nose

Flavours of dark plum, fig and jammy black fruit

Soft and rich tannins enhance the mouthfeel and add to the long, rich finish

### *Pairs with:*

- Grilled Bison burger
- Wild rice and mushroom stuffed peppers
- Mild blue cheese
